This information is for Australian wholesale investors only pursuant to section 761G(7) of the Corporations Act (Commonwealth). This document may provide performance data for the CTE Investments' Asset Trusts. It does not constitute an offer or an invitation by CTE, nor financial product advice for and on behalf of CTE to any person to buy or sell any security, investment product and/or financial product or to participate in any other transactions and does not release the recipient from exercising his/her own judgment. It is not a recommendation to invest and may not include all of the information that an investor needs to make an investment decision. It does not take into account any person's particular financial needs, objectives or circumstances and should not be construed as tax, accounting or legal advice. Before entering into any transaction, investors should independently consider the financial risks as well as the legal, credit and accounting consequences of that transaction and consult their own legal, financial, tax, accounting and other professional advisors as appropriate. CTE does not guarantee the rate of capital or income return of any investment, the meeting of the investment objectives, the performance nor repayment of capital from the Trusts. Any references to past returns, dividend yields and interest rates are for the purpose of example and are no guarantee of future returns.
